

Global Changes Since 1945: Modern History & Issues

Answer each question in a least 1 full paragraph, typed. Explain your answers and provide thorough responses. Upload your responses to turnitin.com the night before the due date. These responses will serve as your assessment for the last chapters, so be sure your responses are well thought out. Turn in on time, as late submissions for an assessment will cost points.

1. Pgs. 822-829. What directions did Eastern European nations take after they became free from Soviet control? Why did they react as they did?
2. Pgs. 829-832. What political, social, and economic, changes has the U.S. experienced since 1945?
