

## Chapter 25 WWII Essential Questions

*Be sure to answer each question in at least 1 complete paragraph. Be sure to upload to turnitin.com by the due date.*

1. What were the underlying causes of WWII, and what specific steps taken by Germany and Japan led to war?
2. What were the main events of WWII in Europe and Asia?
3. How did the attempt to arrive at a peace settlement after WWII lead to the beginnings of a new conflict known as the Cold War?
4. What were the costs of WWII? How did WWII affect the European nations' colonial empires? How did the Allies' visions of the postwar world differ, and how did these differences contribute to the emergence of the Cold War?
5. What was the relationship between WWI and WWII, and how did the ways in which the wars were fought differ?
