

## Chapters 28-29

### A. Key Terms

1. Welfare state
2. Apartheid
3. Consumer society

### B. Focus Questions

1. What problems have the nations of Latin America faced since 1945, and what role has Marxist ideology played in their efforts to solve these problems?
2. What problems have the nations of Africa faced since 1945? What has been done about them?
3. What problems have the nations of the Middle East faced since the end of WWII, and to what degree have they managed to resolve them?
4. What are some of the key reasons advanced to explain why democratic institutions have been slow to take root in the Middle East?

### C. Africa Maps

1. Locate the set of blank maps on my website. Print out 2 copies of the blank map of Africa.
2. You will create 2 maps of Africa. One, a map of Africa in 1900. The other, a map of Africa in 2014.
3. For each map, label the name of the country. You do not need to color.

### D. Growth of Terrorism Timeline

1. Use pages 844-846.
2. Use the attached timeline to complete a brief chronology of the growth of modern terrorism
3. Very briefly list the date, what happened, and effects in each box.
4. On the back, explain the most important event of the issue of global terrorism in a paragraph.

### E. Changes Since 1945 Wheel

1. Use the attached wheel organizer.
2. The topic is "World Changes Since 1945"
3. Complete the organizer writing about the most important changes in the world since 1945.
4. For each piece of the pie, explain what the change was and why it is important.
