

Name: _____

Eugenics Archive

1. Go to www.eugenicsarchive.org. Click "Enter the Archive".
2. Click on "Menu of Virtual Exhibits"
3. Click on two of the topics: *Research Methods, Social Origins, Scientific Origins, Traits Studied, Research Flaws, Eugenics Popularization, Marriage Laws, Immigration Restriction, and Sterilization Laws.*
4. Read each topic thoroughly. Analyze the images as well.

Topic: _____ In the space below, describe how the topic relates to eugenics. What is it about? Why are the images in the topic important? What's the most important thing you learned?
