

1920s Poster

Points: 40

Objective: Students will analyze and understand the major political, social, economic, technological, and cultural developments of the 1920s. (11.5)

Materials: Poster paper, colors, textbook, writing utensils.

Task: Working in your group and using chapters 7 and 8, you will create a poster of the 1920s that includes the following themes:

- a. Politics
- b. Society/Culture
- c. Economics
- d. Technological advancements

Your group must decide which are the most important items for each topic (ex: politicians, musicians/artists/entertainers, pieces of legislations, inventions, etc.). For each topic, include at least 4 items, with a brief explanation of what it is and why it's important. There should be a visual depicting what you choose which follows the artwork criteria.

Be sure everybody contributes to the creation of the poster, and be prepared to share your poster with the class.
